

CST Bulletin – January 8, 2024

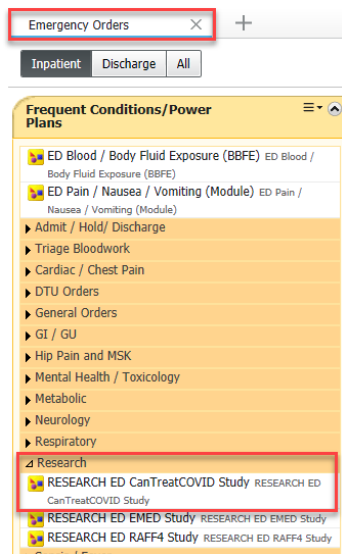

New ED Research Powerplan: RESEARCH ED CanTreatCOVID Study

AFFECTED APPLICATION(S)	FirstNet
AFFECTED AREA(S)	Emergency
NET NEW, OR UPDATE TO EXISTING BUILD	Net New

What is New?

A new **RESEARCH ED CanTreatCOVID Study** Powerplan is available in EDs at **VGH, SPH and MSJ**. This research study is working in partnership with CanTreatCOVID, a CIHR-funded pan-Canadian adaptive platform to evaluate the safety and effectiveness of Nirmatrelvir/ritonavir (Paxlovid) in ED discharged patients.

This **RESEARCH ED CanTreatCOVID Study** Powerplan is located within the Emergency Order mPage > Frequent Conditions/ Power Plans component > Research subfolder

RESEARCH ED CanTreatCOVID Study (Initiated)

Last updated on: 02-Jan-2024 10:56 PST by: TestED, Emergency-Physician5, MD
